Re: Public Records Request received March 12, 2019

Dear David Rothery:

This letter further responds to your public records request received by the Mayor's Office on March 12, 2019 via email. Specifically, you made the following request:

"I would like to make a public records request to find out who proposed and who approved the award to Martin McGuinness. Also I would like to know how many e-mails and letters your office has received dissenting this award."

Response Dated April 5, 2019

Thank you for your inquiry. We previously responded to your request on March 22, 2019 and produced responsive records located at that time and also invoked an extension of time to continue our response for up to 14 days under Government Code § 6253(c) and San Francisco Admin. Code § 67.25(b) because of the need for consultation with other city departments. We have continued our search and consultation and produce herewith additional responsive records located in the possession of the Mayor's Office.

Please note that certain personal identifying information such as personal e-mail addresses and phone numbers have been redacted because the disclosure of such information would constitute an unwarranted invasion of privacy. See Cal. Govt. Code Secs. 6254(c), 6254(k); California Constitution, Art. I, Sec. 1.

Please also note that we are responding on behalf of the Mayor's Office only, and not on behalf of other city departments.

If you have any questions about your request or would like to submit another public records request, please feel free to contact us at mayorsunshinerequests@sfgov.org.

Best Regards,
